T34/85 Tank

April 1945, Stalin's armies are already across the Oder... Within ten days they surround Berlin... Now they are going to take it apart - street by street... house by house... brick by brick!

RA08

"Attack!"

K & C's Red Army collection includes assault troops... anti-tank artillery... tank riders... a support section (including a machine gunner and a sniper)... a female traffic controller...

RA09 Tank Riders

sign pointing straight to Berlin. Providing the dramatic backdrop for the series are our battle-scarred Reich Chancellery facades.

THESE SOVIET SOLDIERS fight with a grim determination. Their memories are still fresh with the unspeakable suffering and destruction the Germans have inflicted on Mother Russia

RA14

"KATYUSHA" Rocket Launcher

All of these dynamic Red Army releases "paint" a unique portrait in miniature of the desperate

Support Section

and her children since 1941. Now they are going to take their revenge deep into the very heart of the Fascist beast - Berlin.

final battle for Berlin. Look out for them soon.

Available wherever fine quality military collectibles are sold.

RED ARMY RELEASES

King & Country's latest WW2 figures and fighting vehicles honour the incredible tenacity and courage of the ordinary Russian soldier. It's often overlooked in the West that fully two thirds of the German Army fought the Soviets in the East.

SOVIENT SOLDIERS have captured the ruins of a Berlin tenement building. Whilst they hoist their red banner from its gutted roof they also carefully search each floor.

ELSEWHERE in the building other 'Ivans' set up a machine gun position and ready themselves for the next assault.

The Battle for Berlin continues...
